Introduction to GoToTraining

GoToTraining

GoToTraining is a video conferencing software for hosting online classes. It can be used to:

- Attend real-time, online classes or workshops that can incorporate audio, video, and document sharing.
- Watch lectures and PowerPoint presentations created by an instructor.
- Meet and collaborate with instructors and classmates via a webcam.

GoToTraining's Features ⬈

How It Works

1. The Center for Interprofessional Collaboration (CIPC) has scheduled four video conferences on the following days:
   - April 6, 2017 - 5:00 PM to 7:00 PM
   - April 13, 2017 - 5:00 PM to 7:00 PM
   - April 20, 2017 - 5:00 PM to 7:00 PM
   - April 27, 2017 - 5:00 PM to 7:00 PM

2. You will need to register **once** for all four sessions. Check your university email account for the **registration URL link**.

3. Once you register, you will receive a confirmation email. This email will have the information you need to join the video conferences.
