

IPE Ambulatory Standardized Patient Simulation - Homepage

IPE Ambulatory Standardized Patient Simulation

This is the Canvas course for the IPE Ambulatory Simulation (Inez Peterson). Before the simulation begins, you must complete two online surveys and the pre-work activities.

Please download the following documents if you need to know:

- The date, time, and location of the simulation
- What session you need to be in (Session 1, Session 2, or Session 3)
- What to bring with you to the McGovern Medical School

Once you know what Session you are in, click the correct button to begin the course.

Session 1

8:00 AM, MSB B.625

Session 2

9:00 AM, MSB B.605

Session 3

10:00 AM, MSB B.625
